

## House System at Grainville School

At Grainville School, our **House System** is at the heart of student life — promoting a sense of **belonging, friendly competition, and achievement** across all year groups.

Each student is allocated to one of four houses upon joining the school, they are Plemont, Beauport, Greve and Rozel.

Our House Leaders:

|                                                                                   |                                                                                   |                                                                                    |                                                                                     |

## The Johnson House Cup

Throughout the academic year, every student earns **achievement points** for:

- Exceptional effort in class
- Consistently demonstrating school values
- Participation in extra-curricular activities
- Representing their house in all events, including lessons and charity days!

 These points contribute to the **Johnson House Cup**, which is awarded at the end of the year to the house with the highest total.

## Fundraising Champions

Each year, our four houses take part in a range of charity events to raise money for good causes. The house that raises the most money overall is crowned our **Fundraising Champions** and awarded the trophy. It's a fantastic way to show teamwork, generosity, and community spirit while supporting local charities that make a real difference.

## House Competitions

Students can get involved in a wide range of house competitions throughout the school year including:

-  Department – Lesson House Competitions
-  Sports Tournaments & Challenges
-  Art competitions & Photography Contests
-  Quizzes, games & more!

## **Get Involved!**

Every student plays a vital role in their house success. Whether it's through creativity, leadership, or sportsmanship — **your contribution matters**.

Speak to your **House Captain** or **Form Tutor** to find out all the information on upcoming house events and help your house win the Johnson Cup!

### **House Sponsors**

We would like to give a special thank you to our amazing sponsors, KPMG and Hacquoil & Cook Ltd.

Your support helps us create even more opportunities for our students and community, and we are truly grateful.
