

# Student Leadership at Grainville

There are many Leadership Opportunities at Grainville, which are always growing and give our students opportunities to show and develop their abilities, and gain experience.

## Prefects

### Head and Deputy Head Girl and Boy

Year 10 students apply for a position as prefect. Those that are successful at interview then have the chance to become part of the senior team. The Head and Deputy Head Girls and Boys run the Student Council in conjunction with the Assistant and Head Teacher and speak at public events. The Deputies assist with Student Council, and oversee the prefect teams.

## Senior Prefects

Our senior prefects have assigned roles within school, providing opportunities to lead in specific areas, lead by the Deputy Head Girls and Boys

## Peer Mediation

Peer Mediation is up and running at Grainville that helps students resolve their differences with the aid of trained student mediators. A team of Year 10 students, lead by two Year 11 Students, have been trained by professionals from the Resolution Centre and work with younger students across the school to resolve conflict.
